THE WEEKLY PATRIOT AND UNION. As the Central organ of the Democratic party the Weekly Patriot and Union has lation than any other Democratic journal in the State. It has heretofore occupied an influential position as an able and in-dustrious worker in the cause of Democracy, and its friends say that it still continare to be a valuable organ of the party.-It is not for us, however, to puff our own work. If we have been faithful to the cause of the party and the country, we hope every Democrat will make it an ob- gross of it. ject to extend our field of operations, by adding to our list of subscribers. The low price of the Weekly in comparison with the amount of matter furnished, makes it one of the cheapest of newspapers. We hope every good Democrat who reads this will send his name and \$2 50 for a copy for one year. If this is too much for those who see very poor, let all such send us fifty cents each, and receive the Weekly Patriot

NOT A FEW of the worst disorders that afflict mankind arise from the corruption that accumulates in the Blood. Of all the discoveries that have been made to purgett out, none each equal in effect Halmbold's Compound Extract or 845 MAPARILLA. It cleanses and renovates the Bleed, tastills the vigor of health into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankicia the blood. Such a remedy that could be relied on has long been sought for, and now, for the first thme the public have one on which they can depend. Our space here does not admit of certificates to show its effects. but the trial of a single bottle will show to the sick that it has its virtues surpassing anything they have ever taken. Two tablespoonsful of the Extract of Screaperilla added

HELMBOLD'S ROSE WASH. An excellent Lotion for diseases arising from babits of dissipation, used in connection with the Extracts Buchu and Sarasparilla, in such diseases as recommended. Also explicit directions for use, with hundreds of thousands living witnesses, and upwards of 20,000 unsolicited certificates and recommendatory letters, many of which are from the highest sources. including eminent Physicians, Clergymen, Statesmen, &c. The Proprietor has never resorted to their publication in the newspapers; he does not do this from the fact that his articles rank as Standard Preparations, and do not need to be propped up by certificates. The Science of Medicine, like the Dorle Column, should stand simple, pure, majestic, having Fact for its bade,

Induction for its pillar, and Truth alone for its Capital.

My Extract Sarsaparilla is a Blood Porifier; my Extract Buchu is a Diuretic, and will act as such in all cases. Both are prepared on purely scientific principles to racuo-and are the most active measures of either that can be made. A ready and conclusive test will be a comparison of their properties with those set forth in the felowing works: See Dispensatory of the Upited States.
